

BLUE COAT CERTIFIED WAN ACCELERATION ADMINISTRATOR

Course Objective

The Blue Coat Certified WAN Acceleration Administrator (BCWAA) Course is intended for IT professionals who wish to master the WAN optimization fundamentals of the Blue Coat ProxySG. After completing this course, you will understand:

- > How to install and configure their ProxySG for acceleration.
- > How to accelerate specific kinds of application traffic.
- > How to monitor bandwidth gains and optimization in the Blue Coat Sky interface.
- > How to troubleshoot basic performance issues.

Duration / Format

2 days (16 hours) / available as classroom instructor led training (ILT) or virtual classroom training (VCT)

Audience / Target Group

IT network professionals who wish to master the fundamentals of Blue Coat products with a focus on WAN Optimization technology and who have not taken any previous Blue Coat training courses.

Prerequisites

Students should be familiar with basic networking concepts, such as local-area networks (LANs), the Internet, security, and IP protocols. Additionally, students should have advanced knowledge of application delivery network and security, as well as practical experience with the ProxySG in the field.

Course Description and Contents

The Blue Coat Certified WAN Acceleration Administrator (BCWAA) Course is intended for students who want to use new ProxySG features enabling application acceleration. The course covers:

- | | | |
|---------------------------------|--------------------------|---------------------------------|
| -> WAN Optimization | -> Services | -> Accelerating Web Traffic |
| -> WAN Acceleration Deployments | -> Monitoring traffic | -> Streaming Media Acceleration |
| -> Initial Setup and Licensing | -> Configuring AND Roles | -> Bandwidth Management |
| -> Blue Coat Sky | -> Optimizing CIFS | -> ProxySG Troubleshooting |
| -> WCCP Setup | -> MAPI over ADN | |

Students will become **Blue Coat Certified WAN Acceleration Administrators** upon completing this course and passing the associated Prometric Online exam.
